#### INTERNATIONAL PRELIMINARY EXAMINATION REPORT

International application No.	
PCT/US03/38470	

I.	Basi	s of the report
1.	With	regard to the elements of the international application:*
	$\boxtimes$	the international application as originally filed.
	$\boxtimes$	the description:
		pages 1-28 as originally filed
		pages NONE , filed with the demand pages NONE , filed with the letter of .
	$\square$	
		the claims:
		pages 29-34 , as originally filed pages NONE , as amended (together with any statement) under Article 19
		pages NONE , filed with the demand
		pages NONE , filed with the letter of
	$\boxtimes$	the drawings:
		pages 1-3 , as originally filed
		pages NONE , filed with the demand pages NONE , filed with the letter of .
		the sequence listing part of the description:
		pages NONE , as originally filed pages NONE , filed with the demand
		pages NONE , filed with the letter of
2.		h regard to the language, all the elements marked above were available or furnished to this Authority in the
		uage in which the international application was filed, unless otherwise indicated under this item. se elements were available or furnished to this Authority in the following language which is:
		the language of a translation furnished for the purposes of international search (under Rule23.1(b)).
	П	the language of publication of the international application (under Rule 48.3(b)).
	Ħ	the language of the translation furnished for the purposes of international preliminary examination (under Rules
		55.2 and/or 55.3).
3.	With	n regard to any nucleotide and/or amino acid sequence disclosed in the international application, the national preliminary examination was carried out on the basis of the sequence listing:
		contained in the international application in printed form.
	H	filed together with the international application in computer readable form.
	П	furnished subsequently to this Authority in written form.
	П	furnished subsequently to this Authority in computer readable form.
	Ħ	The statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the
		international application as filed has been furnished.
		The statement that the information recorded in computer readable form is identical to the written sequence listing
		has been furnished.
4.	$\boxtimes$	The amendments have resulted in the cancellation of:
		the description, pages None
		the claims, Nos. None
		the drawings, sheets/fig None
5.		This report has been established as if (some of) the amendments had not been made, since they have been considered to go
		beyond the disclosure as filed, as indicated in the Supplemental Box (Rule 70.2(c)).**
this	repo	cement sheets which have been furnished to the receiving Office in response to an invitation under Article 14 are referred to in rt as "originally filed" and are not annexed to this report since they do not contain amendments (Rules 70.16 and 70.17). eplacement sheet containing such amendments must be referred to under item 1 and annexed to this report.
